

Secretary
Campaign for Education (CE)
Kathmandu, Nepal

Dear Sir,

Please be advised that Nepal Children Education fund (US Taxpayer ID: 51-0424140) will be providing a grant fund for educational and financial assistance to the students selected by CE for the academic year 2019/20 through 2022/23. We will plan on supporting around 100-120 students a year. The final amount of grant will be dependent on our budget and the quality of applications received; but we will continue supporting existing students till they complete grade 12 as long as they meet our renewal requirements.
